## Garden & Barn Accommodations:

The Linnaeus Garden is an outdoor garden venue more suitable for standing cocktail receptions and smaller intimate dinners than seated banquets or buffets. The Barn in the garden does provide some shelter in the event of inclement weather, but is not suited for, nor large enough to accommodate, seated dining or large inside dancing areas.

The Barn does have men's and ladies restrooms available for your guests.

There is also a small kitchenette. (Only a refrigerator, sink & microwave are available.)

The 2<sup>nd</sup> floor classroom may be used briefly for a bridal dressing area, but it cannot be used for any other purpose. The 2nd floor is NOT handicap accessible.

Client and/or Caterer will be billed \$25/hr for any rules not followed, i.e. clean-up not finished, trash left, etc.

Damages to LG plants, structures, or buildings will be billed to client at actual cost of repair & labor.
